**A RESOLUTION**

**To enact or otherwise contract a Partnership Agreement by and through the Ombuds Act of 2019.**

Whereas We the People of African, American, and Asiatic descent of the United States of America have been made subject to the coerced and enforced deprivation of rights under color of law of the land, on the basis of such artificial terms as race, class, and incorporation; and

Whereas the body of knowledge known as the Universal Law and Order of Nature ("Ma'at"), pursuant to the ancient model of ancestors, should be made publicly accessible to said People, that they may reform society on sound and healthful bases, and be made whole after a long history of injuries; now, therefore, be it

Resolved that in order to protect against unethical, unequitable, and unjust colorability, We the Undersigned Parties shall enter into a partnership or otherwise provide for a trust to fund and establish an Office of Ombudsman for the preservation of Civil Rites; wherefor We hereby resolve to enact the Ombuds Act of 2019.
