DEPARTMENT OF PEACE AND FRIENDSHIP

(a) Knights-Shomrim (SH-U-M-R-Y-M) ['watchers' or 'guards'] is a civilian patrol service composed of "cavalry" (bike) units used for protective, expeditionary, and scouting purposes. They may be deployed on general safety/security/investigative (SSI) patrol, a long-term mission, or a short-term assignment, particularly when an FAA is mobile (in motion), or 'traveling'. Their office shall be known as **Beth HaShomrim**, they may be called 'knights', and they shall constitute the Peace Enforcement Activity Command Enterprise ('the PEACE Force') [See, DOPA 2(a)(12),(13),(14),(15)].

(b) HaKnesset (H-K-N-S-T) ['the assembly'] is a standing deliberative body, called a 'court' or 'tribunal' or 'consul', which convenes meetings, or 'sittings', of general instruction ('preceptory'), hearing and determining ('oyer et terminer'), etc. [See, MPS-1 Art.I(k)] at 'peacetime', that is, when a demonstration is stationary, or encamped. Their office shall be known as **Beth HaKnesset**. [See, DOPA 2(a)(9),(10),(11)].

(c) Shomrim Knights shall be 'made' in the Knesset, and shall be granted leave from the Knesset when deployed on patrol, mission, or assignment.

(d) Through these initiatives the Politburo aims to affect and reform the Fraternity of Free Masonry, the Religious Society of Friends of the Light, the Federal Reserve System, the Mystery School System, the elementary, secondary, and higher education systems, the Mother Church, the Nation of Israel, and people living with colored person syndrome disorder [See, Precept:\37§6(131)], that is, dead corporations in need of souls who're lost at sea; may they be found and delivered from their darkness into light, that what hath been concealed may be revealed within clear sight.
